LexisNexis® Solutions for
Private Investigations can
help streamline your workflow
so you can solve cases faster.

Gain actionable insights and time savings

In the private investigations world, it's all about providing answers to your clients and closing the case. Research, whether initial screening or enhanced due diligence, can mean sifting through massive volumes of structured and unstructured data from multiple sources. Extracting insights from that data is paramount to moving an investigation along.

LexisNexis® Solutions for Private Investigations is a suite of tools designed to help streamline your investigations workflow, freeing up time to work on other cases so you can increase revenue. By pairing industry-leading search and linking technology with our deep and broad public records and proprietary data sources, you can conduct thorough, efficient searches for the most comprehensive results. And with a mobile app and special features, you'll stay up-to-date on details wherever you are.

Cutting-edge solutions from LexisNexis® Risk Solutions deliver critical insights to help you quickly piece together information and solve cases cost-effectively.
